## SHOWER SAFETY RING

### CLAIMS

THE SHOWER SAFETY RING CAN SAVE LIVES AND PREVENT INJURIES TO ELDERLY OR DISABLED PERSONS WHO HAVE TROUBLE STABILIZING THEMSELVES WHILE SHOWERING. BY STANDING INSIDE THE RING AND ADJUSTING IT'S HEIGHT TO ABOUT WAIST HIGH ONE WOULD BE PREVENTED FROM FALLING ~~AND~~ HITTING THE HARD TILE FLOOR.

IN ADDITION ANYONE COULD USE THE DEVICE TO PREVENT SLIP AND FALL ACCIDENTS, WHILE IN THE SHOWER.
